

Fiesta Men's Golf Club

JANUARY 2007

VOLUME 1, ISSUE 1

Golfing Mexican Style

Above we find Señor Roberto Pavon, El Presidente, at his second home on the tee of the tropical Mexican golf course Cabo Del Sol. Here El P is just about to drive the ball 285 yards straight down the middle, setting up his 12th birdie of the day. Despite the brutal weather conditions, of 75 degrees, 7 mph winds and dry martinis, El P was able to fight his way to a course record 61 with the aid of his caddie and local "pro" Margarita en las Rocas con Tatas Grandes. Here are few syllables from El P concerning the Dec 07 Mexican Cruise. "Come one, come all. Join your

fellow Fiesta Golf Club members on the 3rd Annual Fiesta Golf Cruise December 9-16, 2007. We will be sailing from our homeport of San Diego for 7-nights to Cabo San Lucas, Mazatlan and Puerto Vallarta aboard the beautiful Diamond Princess. As many of our members know from the last cruise it's a great week of good friends, great food and spectacular golf at some of the top golf courses in Mexico. We have incredible pricing for this cruise and space is limited, so contact Bob Pavon at the number listed on the attached flyer to secure your spot. The cruise is open to family and friends, golfers and non-golfers.

See you in Mexico!!!"

SCGA and USGA News

The SCGA Handicap Certification Program Schedule shows there is still room in the February 7th, 2007 class at the Morgan Run Golf Resort in Rancho Santa Fe, if any members are interested in attending. See our handicap chairman, Charlie Beighley.

If you have a handicap index of 8.4 or less you can enter the US Amateur Public Links tournament held at the Cantigny Golf Club, in Wheaton, Illinois July 9-14. Applications will become available the second week of March.

Here is a link to the USGA site tournament suggestions:

http://www.usga.org/championships/amateur_golf_competitions/for_your_club.html

If you have time, please review these and see if there are any you think the club should try for the empty tournament slots this year. Submit suggestions to our Tournament Director, Corey Lees.

Applications by active USGA members for the USGA random drawing of 2008 US Open tickets will be accepted between March 1, 2007 and April 15, 2007. Applications by the General Public will be accepted from June 16, 2007 to August 15, 2007. So it behoove us to re-new our USGA memberships.

Also, remember you get a discount at Hertz with your USGA membership, as well.

FMGC News

The most improved Fiesta Member for the past month was Patrick Albertini, who improved from a 10.0 to 9.1 index. The most improved Member for the last 12 months was Lauren Kienbaum, who improved from a 20.3 to a 14.5. Rick Sagers was close behind by improving from a 25.1 to a 19.2. Those extra Sunday rounds with the family seem to be paying off.

The average 18-hole index for the league is now at 21.0.

We appear to have lost 9 members of the league this last month; however, the club is still strong with a paying membership of 50.

The Christmas Party appears to have been a good time for everyone of all ages, and I would like to thank Charley, especially for putting up with my guitar playing. I will have to learn some of your tunes for next time. It was fun, thanks to all who stayed late to listen! Happy New Year!
